Intro

We are all at war.

**This is not just a war between an
invader and a defender.
This is a war between two ways of
seeing Humanity and its future.
Dictatorship vs. Democracy.
Oppression vs. Freedom.
Death vs. Life.**

**We can all play a part in this fight.
We should all take a stand.
We must all choose a side.**

About us

Since 2014

The Help the Army of Ukraine Charitable Foundation was established in April 2014 to provide humanitarian assistance to the Ukrainian military, which was repelling Russian aggression after the annexation of Crimea and the start of active hostilities in eastern Ukraine.

About us

From a Facebook group to a charitable foundation.

The foundation was created from the group "**Support the Army of Ukraine**" on Facebook, which in the first months of its existence united more than 20.000 participants from all over Ukraine and the world and grew into an extensive network of volunteers who provide systemic assistance to the Ukrainian army.

Our mission

To provide humanitarian aid to ensure the life of Ukrainian soldiers in the combat zone or in strategic positions outside the places of permanent deployment.

As such, no weapons are included in the support provided by Help the Army of Ukraine Charitable Foundation.

**War leaves little chance
of comfort for those who
take a hit on themselves.**

every Ukrainian defender is worthy
of a decent life, care and support
from those whom he protects!**
